Yulee, FL 32097

RE: Port of Fernandina's Multi-Purpose Dock Crane & Warehouse Project

Dear Ms. DiBella:

Please accept this letter as confirmation of the Department's participation on Port of Fernandina's *Multi-Purpose Dock Crane & Warehouse* Project. At the time of this letter, the Department has \$2,000,000 dollars committed to Agreement G0Z02. Agreement G0Z02 was executed on July 26, 2018, and the Department's funds will remain available until the Project is complete, or September 30, 2020, whichever occurs first.

As outlined in the Agreement, the total estimated Project cost is \$5,000,000 dollars. The Ocean Highway Port Authority is responsible for all costs in excess of the Department's funds committed to the Agreement. Upon the delivery of the crane to the dock at the Port of Fernandina, the Department will commence its reimbursement of funds to the Ocean Highway Port Authority, up to \$2,000,000 dollars, for actual funds expended in the purchase, shipment and delivery of the crane.

The Department looks forward to participating on this Project. If you have questions or need additional information, please contact me at (904) 360 – 5693.

Respectfully,

A handwritten signature in blue ink, appearing to read "Justin Ryan", is written over a horizontal line.

Justin Ryan
District Two Freight & Seaports Coordinator
