

RFP – Website Redesign and ADA Compliance

Addendum 8_12.29.2025

1. Are you looking for remediation and basic redesign on the current website, or are you looking to redesign and rebuild the site as an ADA-compliant website? **OHPA intends to streamline and reduce the scope of its website content and will follow recommendations to achieve ADA compliance.**
2. If it's just remediation and not a rebuild, what platform is the site built in today? **WIX platform** What would access look like for vendors? **Access with OHPA administrative officer's supervision.**
3. Have you done any preliminary accessibility testing? **No**
4. Is there a budget (or budget range) in mind for this project? **The OHPA Board will determine the budget range accordingly.**
